RECOVERY THREADS STICKERS & DECALS:

Recovery Threads™ only uses 4 color and U.V. screen printed inks on our stickers and decals. This results in a longer lasting decal that withstands weather, chemicals and fading from sunlight. This method was originally created to meet the demanding specs of military and civilian aircraft, trucks and outdoor signage. Recovery Threads™ lays down an ink density in excess of 12 microns thick creating a decal that is usable for years. Put them on your car, your locker, & even your dog!
